

Drive safely - at any age -

**Participate in our hazard perception study
designed to make people safer on the road!**

ELIGIBILITY:

Be at least 65 years old.

Drive at least once a week.

Hold a QUEENSLAND open driver's licence.

Have access to a mobile phone and an email account, and computer.

Able to participate in 9 supervised sessions with at least one week between sessions.

Not have participated in any other hazard perception study previously.

You can choose: Have a UQ researcher meet you at your residence or visit us at the University in St Lucia.

You will complete a series of interactive, video-based training tasks on a touch-screen monitor, that have been shown to improve on road hazard perception.

Sound like fun? It is! To sign up or hear more:
